

## Discussion

The maintenance and upgrade of a defensible space for firefighters between Hawaiian Paradise Park(HPP) and Hawaiian Beaches accessible with Maku'u Farm Lots.

## Summary

There is an established fire lane referred to as "Waikahekahe Iki Lane (WIL) which runs parallel to Maku'u Drive from State Hwy 130 to the ocean. WIL is approximately 4.5 miles in length and cross intersects with the terminal ends of the 32 roads which transverse HPP.

(See map Below)

There are currently two paved road access points Luika Pl. and Kaohuwalu St.

These points are accessible through the

Maku'u Farm Lot's (MFL)

MFLs Luika Place aligns with HPP's 30<sup>th</sup> and  
MFL's Kaohuwalu Street aligns with HPP's 28<sup>th</sup> Streets.

(See Map Below).

There are guard rail barricades closing both junctures.

(Note there is a possible third access point directly off State Hwy 130 via the  
FAA Tower fenced Compound.

At the present time, WIL is overgrown and inaccessible to vehicular traffic.
